Introducing the **Freedom™**

The Ford Freedom™, available exclusively from Allied Mobility, combines a fresh, sleek exterior design with a spacious interior.

If you like Ford, you'll love Freedom™. This stylish car combines ultra-modern comfort with the latest in fuel efficient, environmentally friendly performance. Most importantly Freedom™ brings you superb usability for wheelchair users, with the unique EasyGo™ ramp.

Freedom™ owners also benefit from the option of manual or automatic transmission, with a wheelchair passenger and full original Ford seating, allowing you to create the ideal vehicle to meet you and your family's needs.

Additional features such as front and rear parking sensors, front heated seats, heated windscreen and keyless start ensure a smooth, safe and comfortable journey every time.

Access & Safety

Accessibility is Freedom's™ priority. The specially lowered floor, ensures the access ramp has a low, easy gradient. It's also covered with slip resistant material and is a breeze to clean.

Built with convenience in mind, Freedom's™ rear seats can remain in place with a wheelchair passenger safely on-board, making access as quick and easy as possible and providing comfortable seating for additional passengers.

Wheelchair users benefit from the extra security of easy to use, class leading Q-Strait front and rear wheelchair restraints suitable for wheelchairs up to 200kg* and a dedicated wheelchair passenger seat belt. Both are quick and easy to use, and the built-in electric winch makes entering and exiting the vehicle seamless at the touch of a button.

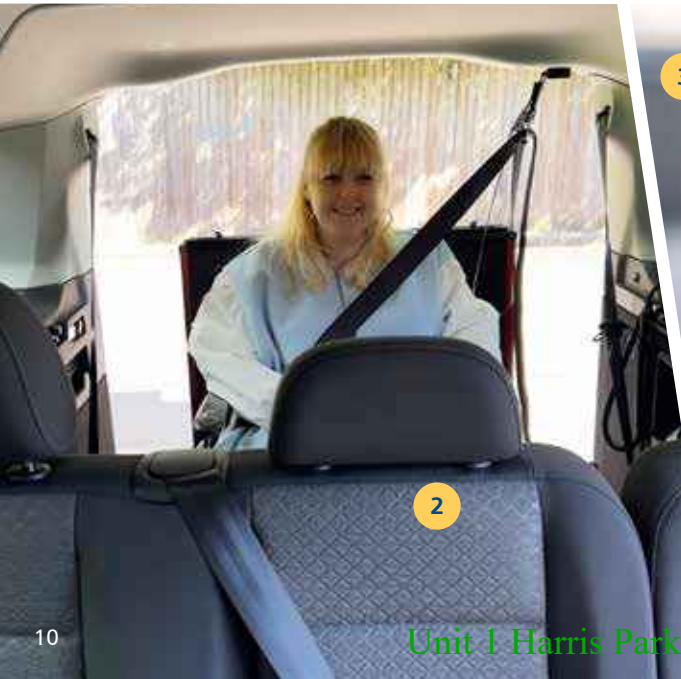

In addition, Freedom™ holds the highest level of safety certification, European Community Whole Vehicle Type Approval and meets the UK standard for wheelchair accessible vehicles - PAS 2012.

Your Home Demonstration

Finding the right wheelchair accessible vehicle to suit your needs is very important. To ensure you're able to choose the best option for you and your family we always provide a free demonstration.

Your local mobility consultant will go through the model that interests you most, at a time that suits you. It's important that you and anyone you regularly travel with are there on the day.

Your mobility consultant will thoroughly demonstrate how to use the accessibility features of the vehicle and answer any questions you may have. Hopefully you'll find you've made the right choice, first time. If not, don't worry - we're happy for you to come back and try a different model for you, to be sure you end up with the vehicle which best suits you.
