Access & Safety

Despite the numerous options available, one thing remains constant with *Independence™* – first rate accessibility.

The *EasyFold™* ramp has a low gradient, making wheelchair entry and exit easy and hassle free. There's also the option of an electric winch, if you do need extra help.

Once inside, the wheelchair user is secured by high quality, front and rear wheelchair restraints, while lap and diagonal seat belts ensure optimum safety.

Your Demonstration

Finding the right wheelchair accessible vehicle to suit your needs is very important. To ensure you're able to choose the best option for you and your family we always provide a free home demonstration.

Your local mobility consultant will bring the model that interests you most to your home, at a time that suits you. It's important that you and anyone you regularly travel with are there on the day.

Your mobility consultant will thoroughly demonstrate how to use the accessibility features of the vehicle and answer any questions you may have. Hopefully you'll find you've made the right choice, first time. If not, don't worry - we're happy to come back with a different model for you to try, to be sure you end up with the vehicle which best suits you.

Your Mobility Journey

First, we discuss your wheelchair accessible vehicle requirements with you, over the phone.

A free demonstration, at a time that suits you.

If the vehicle is suitable - Try another

Once you're completely happy with your choice, we can help with your Mobility paperwork or suggest alternative finance options.

Our mobility team will give you a call when the vehicle is ready.

We'll give you a refresher on the accessibility and safety features of your new car. Now it's time to hand over the keys!

Your mobility consultant will be on hand for your familiarisation check. They can help with any questions you still have about your car.

Our Autocare team will provide an Annual Safety Check on the adapted features of your car. They can even offer to fully service your car.
