All information correct at time of going to press. Specifications may be subject to alteration.

The UK's most popular* small wheelchair accessible vehicle (WAV) has just got even better.

Based on the Peugeot Rifter Allure, **Horizon™** comes with an impressive specification as standard, unrivalled wheelchair accessible features and, of course, the comfort and style associated with Peugeot.

Horizon™ brings you the optimum combination of accessibility and driveability. If you're looking for an easily-maneuvrable car which also offers ample interior space to accommodate a wheelchair user in comfort, **Horizon™** is the ideal solution.

HORIZON™

1. Reliable, powerful & sleek design
2. 6-speaker sound system with DAB radio and Bluetooth® technology
3. Unique **EasyGlide™** pull-out ramp
4. One-piece tailgate
5. Parking sensors to help you manoeuvre
6. 3-year/60,000 miles Peugeot warranty

ACCESS & SAFETY

Horizon™ offers optimum accessibility and safety.

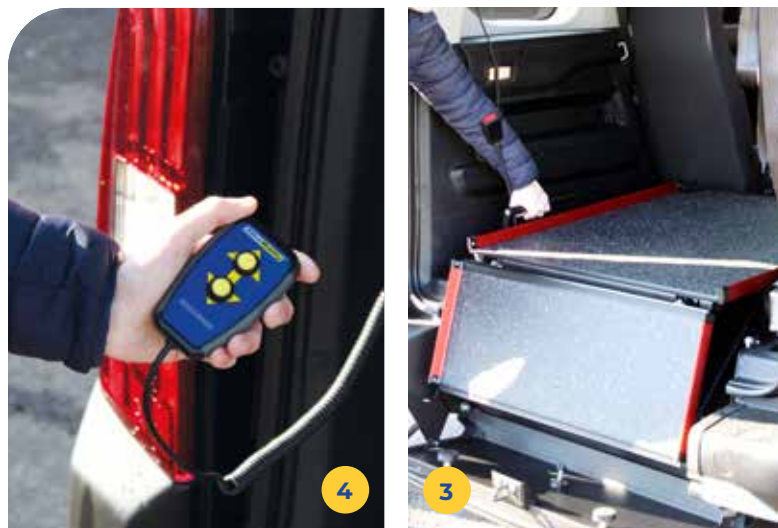

The unique **EasyGlide™** ramp simply pulls out from the rear floor of the vehicle, meaning you can have a standard car one minute and a fully wheelchair accessible vehicle the next.

Horizon™ offers a low ramp angle for ease of access, whilst still being ultra-strong and simple to use. Once inside, the wheelchair user is secured by high-quality front and rear wheelchair restraints, while lap and diagonal seat belts ensure optimum safety.

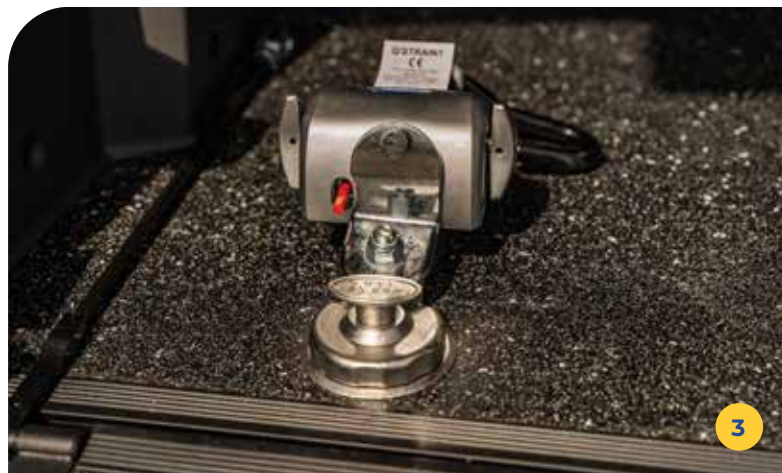

ACCESS & SAFETY

1. Space for driver, four seated passengers and wheelchair user
2. Specially lowered floor, for optimum accessibility
3. Lightweight, easy-to-use, pull-out ramp
4. Electric assist winch available

WHEELCHAIR ACCESSIBLE FEATURES

1. Low gradient **EasyGlide™** ramp
2. Full lap & diagonal seat belt for wheelchair passenger
3. High quality wheelchair restraint system
4. Safety tested to Whole Vehicle Type Approval
5. Fully compatible with UK wheelchair accessible vehicle standard – PAS 2012

VEHICLE FEATURES

Horizon™ is modernised with a stylish base vehicle, brimming with exciting features for your comfort and safety.

What's more, this latest edition of **Horizon™** comes in Allure spec as standard. This means you can enjoy the PEUGEOT i-Cockpit® 8" colour touchscreen with in-car entertainment system, which mirrors your Apple or Android smart phone. There's also handy electric front and rear windows. To finish **Horizon's™** sleek look, you'll enjoy 16" Taranaki Alloy Wheels.

VEHICLE FEATURES

1. Steering-wheel mounted audio controls
2. Cruise control & speed limiter
3. i-Cockpit® touchscreen with in-car entertainment
4. Air conditioning
5. Choice of manual or automatic transmission
6. Puma cloth seating with driver & front passenger arm rests
7. Foldable tables in rear
8. Colour coded wing mirrors
9. LED daytime running lights

Seating Layout

MODEL CHOICE

OC Cars & Mobility **understands that everyone's' needs are different. With that in mind, we have designed two different Horizon™ WAV sizes for you to choose from; the Standard and Plus.**

Standard

Our popular RS model cleverly combines full original Peugeot seating with the ability to create wheelchair space quickly and easily by folding the rear seats forward.

Alternatively, for a longer or wider wheelchair or powerchair, the RE model is the perfect choice. Either one or two slimline rear passenger seats can be added, depending on the size of your wheelchair.

Plus

Peugeot **Horizon™** Plus is ideal for larger families who need additional seating. The RS Plus retains Peugeot's original seating and unlike the standard **Horizon™**, the rear seats do not need to be folded forward.

HELP & ADVICE

OC Cars & Mobility is the Ireland's leading wheelchair accessible vehicle manufacturer. With over 25 years' experience and thousands of satisfied customers, our goal is finding the best solution to meet your particular needs.

Based locally throughout Ireland, our dedicated mobility consultants are there to help you and can provide test drives on the vehicle(s) of your choice.

Should you have any queries before or after ordering your wheelchair accessible vehicle, contact our mobility advisors at any time for expert advice and information.

YOUR HOME DEMONSTRATION

Finding the right wheelchair accessible vehicle to suit your needs is very important.

On your test drive, your dedicated mobility consultant will assess your strength and range of movement and suggest suitable driving adaptations. If you already use these in your current car, we can aim to replicate what you're already comfortable with. Either way, our goal is to ensure your driving experience is as smooth and enjoyable as possible. The driving aids that you choose will be carefully measured and fitted to your vehicle around a week before your car is due to be delivered. Your mobility consultant will be there to make sure everything is placed to your personalised specification. On your collection day your mobility consultant will ensure you're confident and comfortable using all the accessible features of your new car.

Step 1

Our vehicle specialists will discuss your requirements with you, over the phone.

Step 2

test drive, at a time that suits you.

Step 3

We discuss which personalised driving adaptations you need

Step 4

Once you're completely happy with your choice, we can help with your Motability paperwork or suggest alternative finance options.

Step 5

We'll arrange collection of vehicle on a date that suits you.

Step 6

Your dedicated mobility consultant will give you a refresher on the accessibility and safety features of your new car.

Step 7

Now it's time to hand over the keys! Around four weeks later, we'll will pop back round for your familiarisation check.

Step 8

Our OC Cars team will provide a safety check every six months. They can even offer to fully service your car, at your home address.
