The Volkswagen Vista™, available exclusively from OC Cars & Mobility, combines a taste of luxury, superb style and first-class accessibility.

Based on the Volkswagen Caddy Maxi Life, **Vista™** is a versatile multi-passenger vehicle which can accommodate driver, wheelchair passenger and up to four seated passengers. Spacious and stylish, **Vista™** is the perfect option if you're looking for extra room and exceptional quality.

The innovative **FlatFold™** ramp is light and easy to use. With a range of seating layouts and a choice of manual or automatic transmission, **Vista™** comes with the high specification you'd expect from Volkswagen.

## VISTA™

1. Sleek and modern design
2. **FlatFold™** lightweight ramp
3. Range of seating layouts
4. 16" alloy wheels

## ACCESS & SAFETY

**Accessibility is Vista's™ priority. The specially lowered floor ensures the FlatFold™ ramp has a low, easy gradient. It's also covered with slip resistant material and is a breeze to clean.**

Built with convenience in mind, **Vista™ RS** second-row rear seats can remain in place while the wheelchair passenger travels in the third row.

The **Vista™ RE** is ideal if you need additional legroom in front of the wheelchair user, as the wheelchair is positioned in the middle of the vehicle. With the option to add one or two slim seats in the rear, the RE can be tailored to suit many different shapes and sizes of wheelchair. If a more compact vehicle is preferred, the short wheelbase **Vista™ RE** model is a great choice, where the long wheelbase RE maximises the space available to the wheelchair user due to its increased length and wider seating positions.

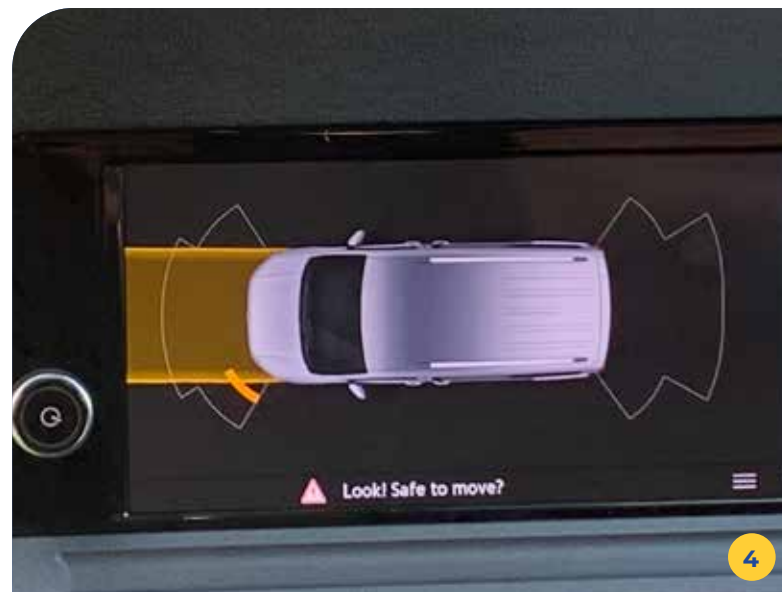

Wheelchair users benefit from the security of class-leading front and rear wheelchair restraints, suitable for wheelchairs up to 200kg. There's also a dedicated wheelchair passenger seat belt.

## ACCESS & SAFETY

1. Wheelchair travelling position
2. Electric assist winch
3. Specially lowered floor for optimum accessibility
4. Front and rear parking sensors

## WHEELCHAIR ACCESSIBLE FEATURES

1. Low gradient wheelchair ramp
2. Lap & diagonal seat belt for wheelchair passenger
3. High quality wheelchair restraint system
- 4 Safety tested to Whole Vehicle Type Approval
5. Fully compliant with UK wheelchair accessible vehicle standard – PAS 2012

## VEHICLE FEATURES

1. Multi-function steering wheel
2. 8.25" colour touchscreen
3. Air conditioning
- 4 Handy, easy-to-reach storage
5. USB connection / phone charger
6. Back of seat trays

## HELP & ADVICE

OC Cars & Mobility is the Ireland's leading wheelchair accessible vehicle manufacturer. With over 25 years' experience and thousands of satisfied customers, our goal is finding the best solution to meet your particular needs.

Based locally throughout the Ireland our dedicated mobility consultants are there to help you and can provide a test drive on the vehicle(s) of your choice, .

Should you have any queries before or after ordering your wheelchair accessible vehicle, contact our mobility advisors at any time for expert advice and information.

## YOUR HOME DEMONSTRATION

**Finding the right wheelchair accessible vehicle to suit your needs is very important . To ensure you're able to choose the best option for you and your family we always provide a free home demonstration.**

On your test drive, your dedicated mobility consultant will assess your strength and range of movement and suggest suitable driving adaptations. If you already use these in your current car, we can aim to replicate what you're already comfortable with. Either way, our goal is to ensure your driving experience is as smooth and enjoyable as possible. The driving aids that you choose will be carefully measured and fitted to your vehicle around a week before your car is due to be delivered. Your mobility consultant will be there to make sure everything is placed to your personalised specification. On your collection day your mobility consultant will ensure you're confident and comfortable using all the accessible features of your new car.

**Step 1**

Our vehicle specialists will discuss your requirements with you, over the phone.

**Step 2**

test drive, at a time that suits you.

**Step 3**

We discuss which personalised driving adaptations you need

**Step 4**

Once you're completely happy with your choice, we can help with your Motability paperwork or suggest alternative finance options.

**Step 5**

We'll arrange collection of vehicle on a date that suits you.

**Step 6**

Your dedicated mobility consultant will give you a refresher on the accessibility and safety features of your new car.

**Step 7**

Now it's time to hand over the keys! Around four weeks later, we'll will pop back round for your familiarisation check.

**Step 8**

Our OC Cars Team will provide a safety check every six months. They can even offer to fully service your car, at your home address.
